NEW ‘Opportunity’ class in Year 7 2015

Dulwich High School of Visual arts and Design is a comprehensive high school with a selective stream in Visual Arts and Design. This means that students are invited to apply for placement in the Visual Arts and Design stream through an application and interview process. These classes are streamed accordingly.

In 2015, students are invited to apply for the Opportunity Class which will form one of the remaining Yr 7 mainstream classes.

The Opportunity Class will provide a stimulating and creative learning environment that aims to develop student potential and creates learning challenges in a range of curriculum activities. Faculties will use a variety of strategies to identify prior knowledge which guides further extension and acceleration. Another main focus will be to further develop skills of motivation, concentration, perseverance, confidence and organization, which are all critical to academic success.

If you wish to apply for the Opportunity Class year 7 2015, an application will be available from the school and/or in enrolment packs.

Please contact Ms Dracopoulos on 95607299 if you have any further enquiries.

Regards

Principal DHSVAD
